Dear Junior/Senior High Campers,

Welcome to your special week at camp. Each of the junior/senior high programs is based on our non-competitive philosophy that values individuals just as they are. You'll swim, boat, sing, worship, have campfires, and devote extra time to the following specialty you have selected:

Ropes & Rocks (Event 1410)

For those eager for a physical and mental challenge, this event begins with the rock wall in the gym, moves to outdoor group challenges, then to the light cliffs around camp, and ends with a rock climb off site.

Rides & Slides (Events 1420, 3420 & 5420)

Rides & Slides combines regular camp activities with a one-day trip to Dorney Park where you will be able to go on rides at the amusement park and also go to their water park. Bring sunscreen and get ready for a great time!

Tubing (2430) New for 2010!

Spend most of the week at camp getting to know the other people in your unit and enjoying your favorite activities, then head off site for a great day of sun and tubing on the Delaware River.

Delaware River 2-Day Canoe Adventure (Event 4440) New for 2010!

This camp gives a new look to an old favorite. Start off at camp, where you'll learn the basics of river safety and handling a canoe, then head out for a two-night trip down the scenic Delaware River. You'll still have plenty of time at camp for activities.

Artists at Work (Event 6450)

This week of camp focuses on our unique, God-given gifts as expressive individuals. Grow in ways that foster community through visual arts. We will draw, paint, sketch, and explore our artistic gifts in the natural beauty of Camp Johnsonburg! Your week will culminate with a gallery to show the camp community your projects. Your day will be spent exploring Visual Arts but you will still do many camp activities including ropes, and daily swimming. Basic art material will be provided, but feel free to bring your own supplies.
